

Legitimate Work From Home Opportunities **February 2006 Directory**

The following opportunities are legitimate work from home opportunities. These are actual, legitimate work from home opportunities.

Since, you have taken the first step to download this directory, you owe it to yourself to look over each opportunity, and inquire with the person so you can make an educated decision about a work from home career that is perfect for you.

With the following companies listed, you will find hope and belief that having a work from home career that works is possible. It is up to you to do your own research and homework to make sure it is the right fit for you.

If you decide to join any of the opportunities listed below, please share your story by emailing stacy@wahp.com with "WAH Directory Story" on the subject line. Make sure you include which one you joined, why you joined it, what your ultimate goal is with that company, and tell us about you. I will email you a free gift for submitting. Nothing is more inspiring than those who find a company to work with from home and start on their journey to success.

Best of wishes to you,
Stacy Perez
